

GLOBAL APN PROJECTS - COLLABORATING FOR EXCELLENCE (#9045)

Authors

Rogers M., Kilpatrick K.

Lecture Description

The ICN NP/APN Networks' recent projects will be illustrated to show reach, significance and impact. Firstly, the development of an APN toolkit for health policy. Secondly, a systematic review of reviews focusing on the gaps in APN research globally. Finally, key findings from a study looking at APNs emotional and spiritual wellbeing and resilience during COVID 19.
